**MT-DESIGN EXPLORER YACHT** is designed for long expeditions in rough waters. Blending a robust, hard-working character with luxurious added extras, like helideck with hangar, swimming pools and large tender boat on-board. In addition, there will be a hangar for several smaller boats and equipment for water sports. The vessel keeps the latest technology on diesel electric propulsion systems.

**THE VESSELS ARE DESIGNED TO FULFIL THE FOLLOWING DUTIES**

Long expeditions in rough waters in high standard accommodation. Combined with helideck and hangar for helicopter, this vessel will be able to support a wide range of journeys into remote areas. The vessels will be built according to the latest Passenger Yacht Code rules.
